

Application No.: 10/712,717
Office Action Dated: June 22, 2006
Response to Office Action Dated: July 10, 2006

REMARKS

Claims 1-4 and 6-17 are pending in the present application. Claims 7-17 were previously withdrawn. Claim 5 was previously canceled.

The Examiner states in the Office Action of June 22, 2006 that the present application is in condition for allowance except for the presence of claims 7-17 directed to an invention non-elected with traverse.

Applicant is filing this Response to cancel claims 7-17. However, Applicant reserves the right to pursue the canceled claims in a divisional application.

In view of the foregoing, it is respectfully submitted that all of the remaining claims (claims 1-4 and 6) are allowed, and therefore the application is in condition to proceed to issue. All issues raised by the Examiner having been addressed, an early action to that effect is earnestly solicited.

No fees or deficiencies in fees are believed to be owed. However, authorization is hereby given to charge our Deposit Account No. 13-0235 in the event any such fees are owed.

Respectfully submitted,

By *Daniel G. Mackas*
